Sandfields Pharmacy.

As your local community pharmacy, we can offer a wide range of services and facilities for you and your family.

Dispensing
We dispense NHS prescriptions and will give advice on how to get the most benefit from your medicines. We keep a comprehensive stock of medicines and use a fast and an efficient wholesaler service to enable us to fill all prescriptions promptly.

Repeat Dispensing
We can dispense NHS repeat dispensing prescriptions issued by your doctor. Ask us for more information about this service.

Emergency Supplies
If you need one of your regular medicines in an emergency when you are unable to contact your doctor, we may be able to help.

We must stress that this can only be done in genuine emergencies.

If you would like any more information about any of the services mentioned, please ask a member of staff.

Common Ailments Service (CAS)
We can provide advice, treatment or referral for a large number of common ailments.

Pharmacist Independent Prescribers
We can provide advice, treatment or referral for minor infections and conditions. You will need to book an appointment to access the service.

Stop Smoking Services
We provide level 2 and 3 stop smoking services.

Influenza Vaccinations
This service is available form September to March each year (subject to vaccine availability.

Medicine Containers
All medicines are dispensed in child resistant containers unless you request us not to. Please remember: **keep all medicines out of reach and sight of children.**
Our pharmacist can advise you on safe storage of medicines.

Unwanted Medicines
Please return all unwanted medicines (but not sharps) to the pharmacy for safe disposal.

Health Advice and Self-care
The pharmacist and our trained assistants are available for advice on all medicines and minor ailments and healthy living in private if required. We can direct you to other sources of advice and assistance if we cannot help you ourselves.

Discharge Medicines Review
If you have recently been discharged from hospital or any other care setting our pharmacist can ensure that you receive the intended medication and how to get the best from them.

Patient Medication Records
Our computer allows us to keep records of all your prescriptions dispensed by us. This helps us deal with any queries you may have about your medicines.
We comply with the Data Protection Act and the NHS code of practice on confidentiality.
